

Groton Little League
Meeting of December 15, 2020

The meeting was called to order at 7:00 PM.

Present were: Danielle Daniels, Jessica Donnel, Nathan Krekeler, Annmarie Nix, Ray Nix, Pat Peterson, Katie Trask

Also present: Bill Borysewicz

Presidents Report: Winter clinic was discussed. Mystic Indoor Sports is currently closed due to Covid-19 guidelines and will remain so unless restrictions are lifted. The board discussed opening registration to Groton residents at no charge, using grant funds to cover the costs. With so many unknowns, processing refunds due to closure, further Covid-19 restrictions, refunding any registration fees will be difficult and time consuming.

A motion was made to make winter clinic free of charge to Groton residents. Seconded by Ray Nix. Motion passed.

Treasurer's Report: Checking \$25,980
Money Market \$32,599.18
Savings \$7,549.79

Donations received from Robert Walsh memorial donations.

Changes to the by-laws was discussed. Proxys, verbiage regarding members, members in good standing, voting rights were the main topics of discussion.

Old Business: The Dominoes fundraiser details were discussed.

New Business: Bill Borysewicz addressed the board regarding Fred Hahns death. Fred was a volunteer in Groton Little League for many years. Bill would like to have the dug outs at Washington Park named in his honor and requested that GLL donate the signs that will be hung on the dug outs. Bill will get prices and examples of plaques for the board to review and vote on.

The meeting was adjourned at 8:01 pm.
